Please attach three of your artworks that best represent your creative connection with temperate marine life. Preference will be given to works reflecting or inspired by animals, plants and habitats that occur in South Australian waters. Curators will also browse the website and social media channels you have provided and may request one or more works from your wider catalog. There are no restrictions on size, year or medium.

Images selected to feature in the 2021 Zoom talks series will be used in a live online presentation and republished on Experiencing Marine Sanctuaries' social media accounts only. A small fee will be offered to you as a usage fee if your image(s) are selected. The fee is offered on a per-image, per-presentation basis. Would you prefer to (tick one):

Accept fee       Donate images of artworks for limited use

If you choose to accept the fee and your images are selected, we will request your preferred payment details via email.

If your work is selected for the *Totally Immersed* exhibition, are you willing/able to pay for the shipping of your work to (and from, if your work is unsold) Adelaide, South Australia?

Yes, I would be willing to arrange delivery, collection and pay costs myself       No
